

For Immediate Release:

BELIEVE WOMEN & POPLIFE PRESENTS 100 BROOKLYN FEMALE STUDENTS WITH FREE SCREENING TO HIGHLY ANTICIPATED FILM “A WRINKLE IN TIME” AT COBBLE HILL CINEMAS ON FRIDAY MARCH 9, 2018.

BROOKLYN, NEW YORK, March 5, 2018 – Believe Women and PopLife ENT presents a free screening of the theatrical release of “A Wrinkle In Time” for 100 female students from 4 Brooklyn, NY schools: PS 9 (Prospect Heights), PS 384 (Bushwick), IS 392 (Brownsville), East NY Middle School of Excellence (East New York). Welcome speech and film introduction provided by Cori Murray, Entertainment Director, ESSENCE and Co-Host, Yes, Girl! Podcast. Additional sponsorship is provided by CORE Services Group, compliments of CEO, Jack Brown III, whose mission lies in advancing community programs. Presenters, Believe Women and PopLife know the positive impact that experiences like these have on the youth saying “It is crucial to provide opportunities to our young girls, to view positive images and an uplifting story that can provide a feeling of empowerment and pride within themselves.”

The youth screening of the highly anticipated film is scheduled for Friday March 9, 2018 at Cobble Hill Cinemas located at 265 Court St, Brooklyn, NY 11231. Welcome speech and introduction starts promptly at 10:15AM (EDT). Film screening begins at 10:30AM (EDT).

The Disney release, “A Wrinkle In Time” directed by Ava Duvernay is the blockbuster adaptation of the classic novel, with award-winning cast: Oprah Winfrey, Reese Witherspoon, and Mindy Kaling.

###

About Believe Women. AHUS is a contemporary lifestyle brand that reflects the current landscape of politics, health and socioeconomics. Its “Believe Women” initiative was created to obliterate patriarchal standards that creates deterrence for women to report attacks against them. Its call to action is that we Believe Women.

About PopLife ENT. PopLife is an entertainment company focused on a philanthropic approach to empowering young people and children in education, and artistic awareness to believe that they can dare to dream in color.

About CORE. CORE’s mission is to empower individuals, families and communities to access and maintain employment, gain independence, and live satisfying and productive lives in communities in which they become contributing and productive citizens. CORE achieves its mission by connecting clients to living wage jobs, real world skills training, aftercare treatment services, and safe, affordable housing.
